

Be like the sun for grace and mercy. Be like the night to cover others' faults. Be like running water for generosity. Be like death for rage and anger. Be like the Earth for modesty. Appear as you are. Be as you appear

**Be empty of worrying.
Think of who created thought!
Why do you stay in prison
When the door is so wide open?**

***A thousand half-loves must be forsaken to take one whole
heart home Be empty of worrying.
Think of who created thought!***

***Yesterday I was clever, so I wanted to change the world.
Today I am wise, so I am changing myself.***

**Raise your words, not voice. It is rain that grows flowers,
not thunder**

Lovers don't finally meet somewhere. They're in each other all along.

Reason is powerless in the expression of Love.

***A mountain keeps an echo deep inside.
That's how I hold your voice***

You are the universe in ecstatic motion.

Only from the heart can you touch the sky.

**Do you know what you are?
You are a manuscript of a divine letter.
You are a mirror reflecting a noble face.
This universe is not outside of you.
Look inside yourself;
everything that you want,
you are already that.**

You had better run from me. My words are fire.

God turns you from one feeling to another and teaches by means of opposites so that you will have two wings to fly, not one.

***The breeze at dawn has secrets to tell you.
Don't go back to sleep.***

Let the beauty of what you love be what you do.

**Lovers find secret places
inside this violent world
where they make transactions
with beauty.**

Do not feel lonely, the entire universe is inside you.

Drum sound rises on the air, its throb, my heart.

A voice inside the beat says, "I know you're tired, but come. This is the way"

***You are so weak. Give up to grace.
The ocean takes care of each wave till it gets to shore.
You need more help than you know.***

Shine like the whole universe is yours.

***Your heart is the size of an ocean.
Go find yourself in its hidden depths.***

The Ego is a veil between humans and God'.

In prayer all are equal.

Give your weakness to one who helps.

Let silence take you to the core of life.

***I am weary of personal worrying,
in love with the art of madness.***

The only lasting beauty is the beauty of the heart.

Whoever's calm and sensible is insane!

***I searched for God and found only myself.
I searched for myself and found only God.***

***For without you, I swear, the town
Has become like a prison to me.
Distraction and the mountain
And the desert, all I desire.***

***Listen with ears of tolerance! See through the eyes of compassion!
Speak with the language of love.***
